

## Dying for Something to Eat

How food production and pandemics go together like chicken & chips

*By Miansari66 (Own work) [Public domain] via Wikimedia Commons*

*Katie Thornburrow, CAR Director, discusses the links between urban design, food policy, and avian flu.*

Wednesday, 22 October, 2014  
CAR Offices, 25 Gwydir Street  
Drinks from 5.30 p.m. Talk at 6.00 p.m.

Please let Maria know by Tuesday, 21 October, if you will be attending ([maria.sylvester@carltd.com](mailto:maria.sylvester@carltd.com)).
