

## Design Directions seen at CABE

Diane Haigh  
CABE Director of Design Review

CABE (The Commission for Architecture and the Built Environment) reviews the designs for the most significant schemes in the planning system. This gives a unique overview of current trends in architecture and urban design. It also provides a powerful basis for CABE's advice and campaigns to improve the design of towns and cities across the country.

Thursday, 15 July, 2010
